

# COEXISTING WITH LARGE CARNIVORES

**LECA Final Conference** dedicated to the Challenges and Opportunities in Large Carnivores' Protection in the Carpathians

**16 March 2026  
on Zoom**

**REGISTRATION**

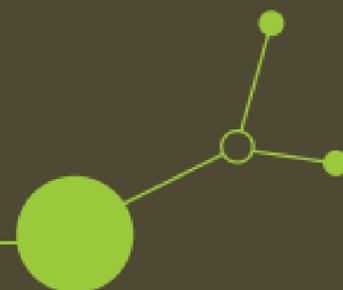

by 12 March 2026

*The Conference will be in English with translation to Slovak, Hungarian and Polish language.*

# PROGRAMME

## CONFERENCE SESSION

A day dedicated to sharing insights and results from the LECA project and discussing large carnivore conservation in Europe:

- *Presentation of LECA project outcomes: monitoring harmonisation, conflict prevention, and anti-poaching measures*
- *Panel & lectures on lynx, wolf and bear conservation: status, challenges, and opportunities in the Alps and Carpathians*
- *Final discussion and conclusions*

**The detailed programme and speaker list will be shared on [the project website](#).**

We'll send you the link to the online conference by email following your registration.
